

[Mac Rdp Client 2.1.2 Download](#)

The screenshot shows a web browser window with the address bar displaying www.microsoft.com/en-us/download/details.aspx?id=18140. The page header includes the Microsoft logo, the text "Download Center", and a search bar. Below the header are navigation links: "Shop", "Products", "Categories", "Support", and "Security". The main content area features the Microsoft Remote Desktop Connection Client for Mac 2.1.1 logo and title. A language selector is set to "English", and a red "Download" button is visible. A descriptive paragraph states: "Remote Desktop Connection Client for Mac 2.1.1 lets you connect from your Macintosh computer to a Windows-based computer and then work with applications and files on the Windows-based computer." A sidebar on the left contains expandable sections for "Details", "System Requirements", "Install Instructions", and "Additional Information". On the right, there is a "Free PC updates" section with a list of update types (Security patches, Software updates, Service packs, Hardware drivers) and a "Run Microsoft Update" button. Below that is a "Microsoft suggests" section for "Windows Server 2012 R2 free trial".
